FEDERAL HOUSING FINANCE BOARD

Editor's Note

The purpose of this note is to explain why there is no document numbered 1999-40.

On July 28, 1999, the Board of Directors approved the concept of issuing a proposed rule entitled Federal Home Loan Bank Financial Management and Mission Achievement. The Board of Directors ordered Federal Housing Finance Board staff to make significant revisions to the draft of the proposed rule document. There is neither a Resolution nor a regulation numbered 1999-40 reflecting the Board of Director's actions on July 28th.

After staff made the requested revisions to the proposed rule document, the Board of Directors approved for publication the amended proposed rule text as Resolution Number 1999-45, dated September 1, 1999.
